DELIVER US FROM EVIL: TRUE CASES OF HAUNTED HOUSES AND DEMONIC ATTACKS (PAPERBACK)

Deliver Us from Evil is the first book to introduce demonologists Ed and Lorraine Warren and their unique occupation as ghost hunters to the world. The Warrens are known as the original ghost hunters. Together they've been investigating paranormal activity for over fifty-five years throughout the United States, Canada, Mexico, Scotland, and Europe, to name only a few places. This book is not entirely about exorcism and many of these stories do not conclude with happy endings. Lorraine describes the existence of supernatural forces and how these supernatural events follow a certain pattern. Ed says it's best described as a book that teaches you about the reality of paranormal or supernatural forces rather than citing an easy route to deliverance. The title of the book is a phrase taken from the Lord's Prayer: Lead us not into temptation, but Deliver Us from Evil. The case studies chronicled in this book are a kind of universality of evil spirits, how they operate and what they do. The cases in this book are the first published cases taken from the files of Ed Warren, a demonologist, now deceased, and his wife, Lorraine Warren, an active clairvoyant and medium. These paranormal investigations are filled with tragic possessions, ghostly infestations and demonic obsessions. Ed, who is also an exorcist, does not ignore the potential potency of curses, spells, voodoo dolls, cult ceremonies, demon possession or other invading entities, especially for those who have opened themselves up to supernatural infestation. Although rare, some satanic rituals have led to murder or death. From a psychic researcher's point of view, Lorraine points out how spirits move from infestation, the...
